1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Carolina Water.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

There are only two people living at our house and our average monthly water / sewer bill is \$67.00. We did not use the water for watering the yard. I find this bill to be extremely large and especially considering we have a house at the entrance to our neighborhood who is on Lexington water and their bill is about \$40 per month - with 3 people living at that residence. I cannot understand how Carolina Water can ask for a large rate increase. We are paying extremely high water rates now and any increase would be unfair and not warranted. The company needs to look for ways to be more efficient, just like many public companies have done during this very difficult recession. I adamantly protest any increase in rates.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

I would like to.
